The advantages of taking online courses :

1. Convenient (available 24/7): Both the classroom and instructor are available 24/7 with online education. (Morning/Evening/**Night**/Weekend Batches)

2. Flexible: You can study anywhere-anytime. You can study with wherever you want to, from the comfort of your home or in the library or the bus. You get to choose the place.

3. Online education at your doorstep: The involvement in the course is high. Online learning helps the parents to look over and know what their children are studying.

4. Individual attention: Online courses have a significant advantage when it comes to serving direct pipeline between the student and the online tutor. Ask questions or clearing doubts.

“क्या पढ़ना है क्या छोड़ना है, सफलता के लिए अभ्यर्थी / प्रतिभागी को यह जानना आना चाहिए”

6. Efficient and active learning: How many of us remember what we read in Grade 6th or any course we have learnt? The reality is, we are not capable of retaining that is learnt. But with online training, we tend to remember what is taught. Daily classes recordings will be sent through email .

7. Less expensive: Online courses are less expensive when compared to classroom coaching. One can save a lot on travelling cost and time, boarding/lodging cost etc .

“We have an edge over others in Distance Learning Programs through our unique teaching and learning techniques.”
