FAQs

What is the programme all about?

Mains Test Series provide platform for checking one's preparation level as well as the status of time and speed management.

It gives aspirants an idea about writing an articulated answer in sync with the conceptual requirement of the question asked.

Programme consists of:

(a) Sectional Test : 4

(b) Mock Tests: 11

The numbers of tests are high as it will help the aspirant in covering whole syllabus in depth along with inter-disciplinary approach.

How is it different from other Test Series?

The trend and pattern of questions asked in HPSC changes each year.

Predictability of pattern become difficult thus one should prepare holistically for

the examination. This programme has been designed to cater that. Regular Test Series is mere inclined for answer writing only, however, this test series cover both concepts + answer writing practice.

It will cover tests under different heads:

Sectional Tests: This paper will be conducted Subject Wise. Each test designed to check the conceptual clarity and indepth understanding of the aspirant.

Mock Tests: Mock tests will be conducted on the line of HPSC pattern

Who can join?

It is beneficial for both the fresher's and experienced as it will provide broader scope for answer writing practice with respect to both Core Conceptual as well as inter-disciplinary approach of the syllabus.

How discussion classes will be conducted?

It is a major USP of this program as in longer discussion; there will be coverage of concerned syllabus area along with each question. Instead of merely discussing the answer, which is already present in the detailed hints provided, we focus on conceptual clarity and broader discussion on the issue, sometime also covering alternate questions on same topic.

Why One on One Discussion after copy evaluation?

General perception of joining any test series by aspirants is evaluation & assessment of their preparation. But after assessment, improvement in marks is also important. We conduct one on one interaction with concern faculty after copy evaluation of every test.

While interacting with faculty aspirants get an idea How to improve marks in a particular question. As the whole game and grammer of HPSC is in and around improvement of half marks & one marks.

What is the importance of Model answers/synopsis?

Model answers/synopsis provide the information for a particular question, , the overall facts and concepts related to that topic asked in question is provided in detail. It shall be of immense help for the students in the revision of preparation before the exam.
